

Pick Tennessee Products Conference at the Farm Bureau Expo Center

PICK TENNESSEE PRODUCTS CONFERENCE

January 15 - 17, 2026 | Farm Bureau Exposition Center at the James E. Ward Agriculture Center | Lebanon, Tennessee

The Pick Tennessee Products Conference is the most significant gathering of farmers, growers, makers, and partners from across the Great State of Tennessee. For three full days, producers, agritourism operators, value-added businesses, and industry leaders from every corner of the State will come together at the Farm Bureau Exposition Center - located at the James E. Ward Agriculture Center, right in the heart of Tennessee. This venue is quickly becoming the future home and central hub for all things agriculture in our State.

We are expecting a minimum of 650 attendees, a twenty-percent increase over last year, and we are actively preparing to welcome as many as 900 participants.

Attendees can explore nearly seventy exhibit partners, featuring products, equipment, technology, and services designed to strengthen Tennessee farm operations.

Commissioner Andy Holt says:

"The Pick Tennessee Products Conference is the most significant gathering of farmers, growers, makers, and partners from across the Great State of Tennessee... At the end of the day, agriculture supports faith, family, and freedom in every corner of Tennessee."

With more than 120 education sessions, hands-on demonstrations, expert panels, and producer roundtables, the conference offers unmatched access to Tennessee's agricultural community - all in one central location.

Tonya Keller, President, invites you:

"Come be a part of it. 2026 is big, and 2027 will break every record we have."

For complete event information and to register before space fills, visit www.picktnconference.com

Space is limited, excitement is high, and Tennessee's agricultural family will be here waiting for you.
